

Assessment is an ongoing process that occurs daily in all our classrooms. SpacesEDU serves as a communication tool to share both progress and growth throughout the school year.

Parents/guardians are encouraged to review their child's SpacesEDU portfolio and celebrate the amazing success and growth documented throughout the year. As a summary of learning, your child's teacher has thoughtfully prepared a year-end summative report that highlights not only the progress shown over this school year but also articulates some goals and areas for continued growth as your child continues in their learning journey. This year-end report will be shared via SpacesEDU on the last day of school.

The Reporting Space will be visible from the last day of school until mid August.

Student's 'All Work Feed'

Your child's SpacesEDU account provides access to ALL of the student's work, posts, activities, and summative reports for all of their years using SpacesEDU via the 'All Work Feed'. Even after August 14, when classes are archived, your child's account will still maintain access to everything. To access any past posts, activities, or summative reports, have your child log in to their SpacesEDU account and click on 'All Work Feed'. Should you have any questions about accessing previous content, please contact LearningServices@holyspirit.ab.ca with your child's name and school.

Student's 'All Work Feed' (continued)

The screenshot displays the SpacesEDU interface. At the top, there is a navigation bar with a home icon (highlighted with a red box), a search bar containing 'Ms Ng's Class', and navigation options for 'Spaces', 'Activities', and 'Messages'. On the right, there are 'Drafts' (3) and user profile icons. Below the navigation bar, there are tabs for 'Spaces' and 'Feed'. The main content area shows a post by Meillin Lee from 'Ms Ng's Class' dated Apr 30, 2025, at 2:24 p.m. The post includes three video thumbnails (1/3, 2/3, 3/3) and a section titled 'My Reflection' with the text: 'Thank you for a great school year, Ms Ng!! I learned a lot and had the best time :)'. On the left side of the main content area, there is a sidebar with filters for 'Classes' (Ms Ng's Class), 'Space' (All Spaces), 'From' (Select a date...), and 'To' (Select a date...), all of which are highlighted with a red box.

For Students Leaving Holy Spirit

If your child's learning journey takes them to another school division next year, you can still maintain access to their SpacesEDU account. Please email LearningServices@holyspirit.ab.ca with your child's name and school, and include a personal email address (this can be for a parent or guardian for young children). We will ensure your access to SpacesEDU is maintained. Instructions will be shared with you on resetting your password once we have transferred the account to an alternate email address. For students moving to a different school within Holy Spirit Catholic School Division, your child's account will remain active and connected to their Holy Spirit email address.
