Dear Parents,

This year we have planned a number of field trips that will correspond with our Social Studies and Science Curriculum. We are hoping to reduce the number of field trip forms that you have to sign, and the amount of paper we use for them. You will see a list of four field trip forms combined into one.

Prior to a field trip day, we will send you reminder info through your child's agenda and/or Remind so that you remember to send him/her with the right materials for the day. Please dress for the weather on that day, especially when we will be outside, and please send proper footwear.

As much info as we have is included here for each event, and you need to check off **each** box that you are signing for as well as complete the demographic info at the bottom of the page. Should your emergency contact information change at any time through the year, please let the office know so that we can make changes to this form.

Please remember that due to both booking contracts and safety considerations, siblings are not permitted to join in on field trips.

Thank you for your support of this venture for our school. If you would like to volunteer for any of your child's field trips, please send me an email at brydgess@holyspirit.ab.ca.

Sincerely,

Shelly Brydges
