2024-2025 Year-End Summative Reports

Grades 1-6

Assessment is an ongoing process that occurs daily in all our classrooms. SpacesEDU serves as a communication tool to share both progress and growth throughout the school year. Parents/guardians are encouraged to review their child's SpacesEDU portfolio and celebrate the amazing success and growth documented throughout the year. As a summary of learning, your child's teacher has thoughtfully prepared a year-end summative report that highlights not only the progress shown over this school year but also articulates some goals and areas for continued growth as your child continues in their learning journey. This year-end report will be shared via SpacesEDU on the last day of school (Wednesday, June 25, 2025).

Access the Reporting Space & Year-End Summative Report:

The Reporting Space will be visible from June 25 until August 14, 2025.

Student's 'All Work Feed'

Your child's SpacesEDU account provides access to ALL of the student's work, posts, activities, and summative reports for all of their years using SpacesEDU via the 'All Work Feed'. Even after August 14, when classes are archived, your child's account will still maintain access to everything. To access any past posts, activities, or summative reports, have your child log into their SpacesEDU account and click on 'All Work Feed'. Your parent access for the 24/25 year will end on Aug. 14. If you have any questions about accessing previous content, please contact LearningServices@holyspirit.ab.ca with your child's name and school.

Student's 'All Work Feed' (continued)

The screenshot displays the SpacesEDU user interface. At the top, a navigation bar includes a home icon (highlighted with a red box), a dropdown menu for 'Ms Ng's Class', and tabs for 'Spaces', 'Activities', and 'Messages'. On the right, there are 'Drafts' (3) and user profile icons. Below this, a secondary navigation bar shows 'Spaces' and 'Feed' tabs. The main content area is titled 'SpacesEDU' and includes tabs for 'Classes', 'All Work' (highlighted with a red box), and 'Portfolios'. A left sidebar (highlighted with a red box) contains filters: 'Classes' (Ms Ng's Class), 'Space' (All Spaces), and date range selectors ('From' and 'To'). The main feed shows a post by Meillin Lee from Ms Ng's Class, dated Apr 30, 2025, 2:24 p.m. The post includes three video thumbnails and a 'My Reflection' section with the text: 'Thank you for a great school year, Ms Ng!! I learned a lot and had the best time :)'. A red box highlights the 'All Work' tab and the sidebar filters.

For Students Leaving Holy Spirit School Division

If your child's learning journey takes them to another school division next year, you can still maintain access to their SpacesEDU account. Please email LearningServices@holyspirit.ab.ca with your child's name and school, and include a personal email address (this can be for a parent or guardian for young children). We will ensure your access to SpacesEDU is maintained. Instructions will be shared with you on resetting your password once we have transferred the account to an alternate email address. For students moving to a different school within Holy Spirit Catholic School Division, your child's account will remain active and connected to their Holy Spirit e-mail address.
