UNITING THE ARTS AND GOSPEL VALUES FOR OVER 30 YEARS

September 4, 2026

Dear grade 5 and 6 students and parents:

Welcome back! We have scheduled patroller training and you are invited to join the team! This prestigious opportunity (that many parents will recall fondly from their own youth) will not only give you leadership duties in the school, but may also give students exclusive access to AMA School Safety Patrol events during school hours.

The student time commitment for St. Patrick Fine Arts is dependent upon the number of kids who join the team. Each shift is just 13-15 minutes (8:25 - 8:38 am and 3:45 to 3:55 pm or 11:27 - 11:40 Fridays), and we will strive to have a before and after school presence on the road daily. Members work in teams of at least 3 at the crosswalk. We create the schedule to accommodate student activity commitments and kids who take the bus are still able to patrol in the afternoon. Ideally, we have between 20 and 30 kids on the team to cover all of the shift.

Mandatory training is provided and done with your Principal using AMA resources during lunch on Wednesday, Sept. 9. Kids who are lunch monitors this week are asked to find a replacement with someone who is not patrolling. With your consent form in and training done, you are ready to patrol and the schedule would begin as early as Monday, Sept. 14 (with direct adult supervision to get started).

Thanks for your commitment to this leadership opportunity that will leave you with great memories for a lifetime! If you are interested to join the team, please complete and return the AMA Consent/Release form as well as the availability table (below) **no later than Thursday, Sept 10**. Thanks!

Mr. Brent Christensen, Principal
