Dear Parents,

Last school year our Grade 4 class participated and won the National CBC Music Class Challenge and now our choir has been invited to perform at a Vox Musica concert that will feature the composer and conductor of that piece. We will be singing two pieces with our choir, and then one large mass choir piece with all of the choirs that are invited to join. This concert is called "l'tamoh'knai'pyotsii" which means "*A Joyful Gathering of Song*". Our choir will have the incredible opportunity to work with the composer and conductor of this concert at two different times, both during regular choir practices at school. We hope you are able to join us for this concert as we participate in this amazing experience.
