UNITING THE ARTS AND GOSPEL VALUES FOR OVER 30 YEARS

November 3rd, 2025

Dear Parents,

On **Tuesday, November 18th**, both Grade 5 classes will be attending an exciting and meaningful field trip to the **Galt Museum and Archives**. Students will explore stories from the **First World War**, connecting them to our classroom themes of **identity and community**. As part of our **Language Arts and Social Studies** learning, students will discover how local men who served on the Western Front and their families in Lethbridge experienced this important time in history. By reading real letters and diary entries, students will develop a deeper understanding of voice, perspective, and how historical events shape both individual and community identity.

This program will take place **indoors**. Students will travel to and from the museum by **bus**. Due to program size limits, the two Grade 5 classes will attend at different times:

- **5M** will leave at **9:00 a.m.**, attend from **9:15 to 10:30 a.m.**, and return to school afterward.
- **5D** will leave at **1230 p.m.**, attend from **12:45 p.m. to 2:00 p.m.**, and then return to school.

We look forward to this valuable learning experience that brings history to life for our students!

Parents are welcome to attend as **chaperones**; however, please note that **siblings are not permitted** to join us on this trip due to liability reasons. Please ensure your child is dressed appropriately for the weather, including a proper jacket and footwear. There is **no cost** for this field trip. Students who do not return their signed consent form by the morning of the trip will remain at school and be supervised until their class returns. Please **sign and return the attached consent form** to indicate your permission for your child to attend.

Thank you for your attention to this notice. If you have any questions or concerns, please contact us at **(403) 327-4386**.

Warm Regards,
Alanna Miller and Jess Grisbrook
